

Bay-Lakes Council Leave No Trace Trainers Course

This Course is designed for Boy Scout Leaders who value the land and want to teach others how to protect and preserve it. Graduates will receive a Leave No Trace diploma and will be qualified to teach Leave No Trace skills and ethics to all levels of Scouting.

This course will meet the requirements for Summer Camp Staff to be trained in Leave No Trace.

There are many ways to teach Leave No Trace. You will be encouraged to follow thru and complete a Master Educators Course but there is a need for qualified Scouters to teach awareness workshops at the Cub Scout, Boy Scout and Venturing levels. Trainers are needed to prepare units for high adventure trips for hiking, biking and canoeing. Leave No Trace workshops can be added to Council and District events and trainers will be needed to present them.

Please join us at this training. Whatever level you wish to work at you will be welcome.
