Summer 2010 Wolf River Adventures!

June 20 - August 7

June 20 - August 7

Door County Adventures:

This exciting high adventure trek utilizes Door County, our very own "Cape Cod of the Midwest". After a crew "shake down" at Gardner Dam, your crew will be transported to Jax Camp, near Sturgeon Bay, where you will base camp for a week of sea kayaking and sailing (optional) on the waters of Green Bay, as well as bike touring on the trails and byways of Door County.

Voyageur Canoe Adventures:

The canoe routes that you will paddle are the very same ones used by Native American Indians, French-Canadian Voyageurs, trappers and hunters in the old Northwest territories. This trek will take you to the beautiful and wild Flambeau River in north central Wisconsin. Rated one of the best paddling rivers in the Midwest, the Flambeau offers flat water, as well as some challenging Class I and Class II rapids and terrific scenery, as you paddle and camp in the Flambeau River State Forest.

Whitewater Adventures:

You can't ask for any better whitewater kayaking opportunities than what we have right here in northeast Wisconsin. This high adventure trek will put you in river kayaks on the Wolf and Red Rivers... just to name a few. Your crew will base camp at Gardner Dam and hit a different river each day with challenges for all abilities. When not on the water, participants will get a taste of sailing, black powder rifle, climbing and rappelling at neighboring Bear Paw Scout Camp.

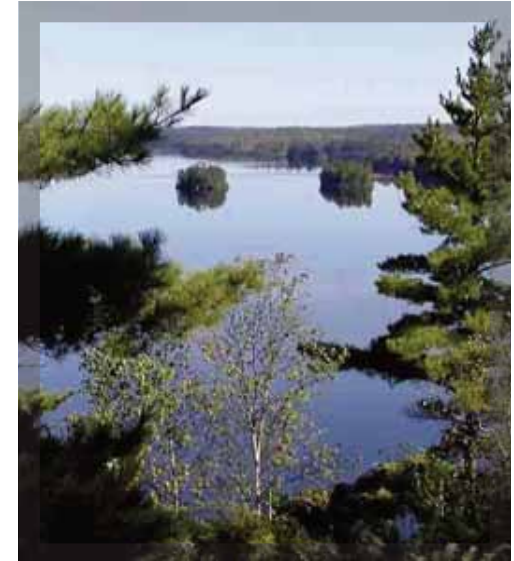

Advanced Whitewater:

For experienced paddlers, we have an advanced level week that includes instructors and paddling on the nationally famous Wausau, Wisconsin, Whitewater course.

Northwoods Adventures:

This fantastic high adventure program has something for everyone. Utilizing opportunities at both Bear Paw and Gardner Dam Scout Camps, participants will enjoy activities such as: COPE, rock climbing & rappelling, black powder rifle, lake kayaking, sailing, snorkeling and an overnight bike trek. You will camp for two nights at Gardner Dam Scout Camp and then travel to Bear Paw Scout Camp where you will camp for two nights at our hidden jewel of a campsite, Explorer Point. You will also bike through the Nicolet forest and with an overnight stop at scenic Boulder Lake.

Participants

- Wolf River Adventure programs are for Venturers and Boy Scouts that meet the 14-20 age requirements.
- These are coed programs that participants may attend as individuals or with his or her crew/troop.

Wolf River Adventure Provisional Camp:

This program is for youth that can't attend a high adventure program with his or her crew/troop or for someone that wants a little bit more adventure. You may choose to participate in one of the four Summer Camp High Adventures. Adult Leadership is provided for this program.

July 4-10, Gardner Dam Scout Camp

2010 National High Adventure Programs

The National High Adventure bases in Ely, Minnesota, Cimarron, New Mexico, and Islamorada, Florida, offer “once in a lifetime” adventures. The Bay-Lakes Council sponsors annual treks to these bases. These trips are so big that they take 12-18 months to prepare for. This is a great time to start thinking about 2011. For more information, contact the Center for Scouting in Appleton at 1-800-372-6887.
